50X1 4. (Confidential - GLC) Received a call from [redacted] in the DL/P's office, concerning a plan by the committee now chaired by Llewellyn Thompson, and formerly chaired by Alexis Johnson, to brief the Foreign Affairs and Foreign Relations Committees on Soviet satellite reconnaissance programs. At a meeting of the Committee a member remarked that the substance of this briefing had already been given to the 79th Reserve Group (of which Senator Goldwater is a member) by DIA. It is reported that Ambassador Thompson was extremely upset by this development. Efforts are now being made by discreet inquiry to obtain the facts concerning the DIA briefing. Tom Hughes, of State Department, who reported on the DIA briefing allegedly was present when the briefing was given. DSI and DD/S&T are looking into this matter.

5. (Confidential - GLC) As a result of conversations with Mr. Bill Jordan, on the staff of Senator Richard B. Russell, yesterday and today, Mr. Jordan advised late today that the Senator would not be available to meet with Mr. McCone since he was leaving for Georgia tomorrow. I mentioned to Mr. Jordan the possibility that Mr. McCone might try to reach the Senator by telephone. The above was passed on to Mr. Elder who said he would take the matter up with the Director.

STAT 6. (Unclassified - GLC) Made arrangements for a meeting with Senator Symington at 2:10 tomorrow to discuss the [redacted] case.
